

Access and support for disabilities

The practice offers step free access to our Summertown and Cutteslowe surgeries. Additionally, there is a hearing loop on the reception desks, large print leaflets are available and we also have dementia friendly signs.

Threats of violence or abuse of our staff

Our staff work hard to provide you with the best possible service. Please treat them with the courtesy and respect they deserve. We operate a zero-tolerance policy and may refuse to provide services to individuals who are violent, threaten violence, commit or threaten to commit a criminal offence.

Patient Participation Group

We have an active Patient Participation Group (PPG), ensuring that our patients are involved in decisions about the services provided by the Practice. Further information about our PPG is available on our website.

Patient data

All clinical and administrative staff have an ethical as well as a legal duty to protect patient information from unauthorised disclosure and in accordance with the Data Protection Act 2018. The patient privacy notice is available on the practice website.

Comments, suggestions and complaints

Our aim is to give the highest possible standard of service. We would like you to tell us what you think about the service we provide. If you would like to offer a comment or suggestion or raise a complaint, this can be raised with any member of the team. Further information about this can also be found on the practice website or within the complaints leaflet.

Teaching Practice

This is a teaching practice and occasionally trainee GPs or medical students may, as part of their training, be required to sit in with their trainer GP during consultations with patients. You will always be asked if you consent to this prior to your consultation. If you do not consent, the trainee will not sit in on your consultation.

Appointments and accessing practice services

To make an appointment to see your GP or any member of our healthcare staff, or to access any other of our practice services, please log on to the practice website at www.summertownhealthcentre.co.uk. Should you be unable to access the website, please ring 01865 515552 and a member of our administrative team will be able to assist you. The practice website contains all the relevant information that you are likely to require. It is the quickest way to access the services you may need.

Repeat Prescriptions

Your GP will initiate any prescription that they determine you require. Repeat prescriptions can be ordered with in person, via the website or using the NHS App. Please allow 72 hours for collection.

Services we provide

Family planning | immunisations (adult and child) | cervical screening testing | chronic disease management | NHS health checks | maternity | well baby | travel health
